

CURRICULUM VITAE

DR. S. VENKATACHALAM

Date of Birth : 14.06.1987
Sex : Male
Nationality : Indian
Marital status : Married
Mob no : +91-9952240259
E-mail id : venkateshbiotech@gmail.com;
: venkatachalam@ncpor.res.in

Project Scientist -II
Arctic Ecology and Biogeochemistry Division
National Centre for Polar and Ocean Research
Headland Sada
Vasco-da-gama
Goa, India

Research interest: Microbial Ecology and Genomics Research from Alpine to Polar Ecosystems; Ecology and Evolution of Candidate Phyla Radiation groups; NGS instrumentation; Data Science.

Academic Qualification

| Degree | Subject | Year | University/ Institution |
|------------|----------------|-----------|-----------------------------------|
| B.Sc. | Biotechnology | 2004-2007 | Periyar University, Salem |
| M. Sc. | Biotechnology | 2007-2009 | Bharathidasan University, Trichy |
| PG Diploma | Bioinformatics | 2008-2009 | Bishop Heber College, Trichy |
| Ph.D | Biotechnology | 2010-2014 | Bharathiar University, Coimbatore |

Research Experience, Awards and Fellowships:

| Duration | Position | Fellowships |
|-----------------------------|---|---|
| April 2022 – to date | : Project Scientist-II, National Centre for Polar and Ocean Research, Goa, India | NA |
| April 2019 – September 2021 | : Post-Doctoral Fellow, National Centre for Polar and Ocean Research, Goa, India | DST-SERB National Post-Doctoral Fellowship (NPDF), India |
| January 2015- December 2018 | : <ul style="list-style-type: none">• Post-Doctoral Fellow, Department of Biochemistry and Microbiology, Rhodes University, South Africa.• Honorary Research Associate, The South African Institute for Aquatic Biodiversity, South Africa | <ul style="list-style-type: none">• Rhodes University Post-Doctoral fellowship, South Africa• NRF-SARChi Post-Doctoral fellowship, National Research Foundation, South Africa. |
| July 2014 – December 2014 | : Senior Research Fellow, Microbiology Division, Indian Agricultural Research Institute (IARI, New Delhi, India). | Fellowship from ICAR-AMAAS funded project, India |
| January 2010 – March 2014 | : Junior and Senior Research Fellow, Department of Biotechnology, Bharathiar University, Coimbatore. | Fellowship from the Department of Science and Technology (DST), New Delhi. |
| June 2009 - December 2009 | : Research Intern, Central Institute of Medicinal and Aromatic Plants (CSIR-CIMAP), Lucknow. | NA |

Expertise in NGS instrumentations and Bioinformatics:

- ✦ Sample library preparations and handling of Illumina MiSeq platform.
- ✦ Sample library preparations and handling of Ion-torrent GeneStudio™ S5 platform.
- ✦ Sample library preparations and handling of MinION Oxford nanopore platform.
- ✦ **Bioinformatics:** Genome assembly, annotation, Reconstruction of metagenome-assembled genomes (MAGs) by using semi-supervised, manual binning and machine learning approaches, Metabolic pathway analysis.
- ✦ Metabarcoding sequence data analysis via HPC clusters and downstream data processing in R.

Scientific expeditions, other awards and extracurricular membership:

- ✦ Canadian Arctic Expedition (August 11th – September 12th, 2023) at The Canadian High Arctic Research Station (CHARS), Cambridge Bay, Canada.
- ✦ Central Arctic Ocean Cruise (July 19th- August 23rd 2022) on-board RV Kronprins Haakon, Norway.
- ✦ **Team leader:** Arctic Svalbard Coastal Cruise (July 2-14th 2019), on-board RV CLIONE.
- ✦ Agulhas System Climate Array Expedition (July 1st –July 18th, 2016) On board RV SA Agulhas II, South Africa.
- ✦ Himalayan Expedition (June 2010).
- ✦ **Team leader:** Sub-Antarctic research group, Marine Natural Products Research Lab at Rhodes University (2015-2018), South Africa.
- ✦ Rhodes University Council research grant for ZAR 30000, Rhodes University, South Africa (2017 and 2018).
- ✦ Travel grants from Water Research Commission and SAIAB, South Africa to present my research work at a conference in Zagreb, Croatia (2017).
- ✦ Travel grant from the Department of Biotechnology, India to present my research work at a conference in Frankfurt, Germany (2010).
- ✦ **Chair:** Post-doctoral Liaison sub-committee, Rhodes University (2015-2017).
- ✦ Member: The Association for the Sciences of Limnology and Oceanography.

Job Offers:

- ✦ **2022:** Project Scientist – III, CSIR- Centre for Cellular & Molecular Biology (CCMB), Hyderabad. (Declined).
- ✦ **2022:** Scientist – C (Project), National Centre for Cell Science, Pune. (Declined).

Journal Citation index: Cumulative impact factor: **97.0**; Total citations: **640**; H-index: **12**

First Author publications:

1. **S. Venkatachalam**, P.V. Vipindas, T. Jabir, A. Jain, K.P. Krishnan (2023). Metagenomic insights into novel microbial lineages with distinct ecological functions in the Arctic glacier foreland ecosystems. **Environmental Research**. **241:117726. (IF: 8.30)**.
2. **S. Venkatachalam**, T. Jabir, P.V. Vipindas, K.P. Krishnan (2023). Ecological significance of Candidatus ARS69 and Gemmatimonadota in the Arctic glacier foreland ecosystems. **Applied Microbiology and Biotechnology**. **108:128. (IF : 5.0)**.

3. **S. Venkatachalam**, A. Gopinath and K.P. Krishnan (2023). Fjords of the western and northern regions of Svalbard harbour distinct bacterioplankton community structures. **World Journal of Microbiology and Biotechnology**. 39(57):1-13. (IF: 4.1)
